Grilling Safety

There's nothing like outdoor grilling. It's one of the most popular ways to cook food. But, a grill placed too close to anything that can burn is a fire hazard. They can be very hot, causing burn injuries. Follow these simple tips and you will be on the way to safe grilling.

SAFETY TIPS

- » Propane and charcoal BBQ grills should only be used outdoors.
- » The grill should be placed well away from the home, deck railings and out from under eaves and overhanging branches.
- » Keep children and pets at least three feet away from the grill area.
- » Keep your grill clean by removing grease or fat buildup from the grills and in trays below the grill.
- » Never leave your grill unattended.
- » Always make sure your gas grill lid is open before lighting it.

CHARCOAL GRILLS

- » There are several ways to get the charcoal ready to use. Charcoal chimney starters allow you to start the charcoal using newspaper as a fuel.
- » If you use a starter fluid, use only charcoal starter fluid. Never add charcoal fluid or any other flammable liquids to the fire.
- » Keep charcoal fluid out of the reach of children and away from heat sources.
- » There are also electric charcoal starters, which do not use fire. Be sure to use an extension cord for outdoor use.
- » When you are finished grilling, let the coals completely cool before disposing in a metal container.

PROPANE Grills

Check the gas tank hose for leaks before using it for the first time each year. Apply a light soap and water solution to the hose. A propane leak will release bubbles. If your grill has a gas leak, by smell or the soapy bubble test, and there is no flame, turn off the gas tank and grill. If the leak stops, get the grill serviced by a professional before using it again. If the leak does not stop, call the fire department. **If you smell gas while cooking, immediately get away from the grill and call the fire department. Do not move the grill.**

If the flame goes out, turn the grill and gas off and wait at least **15 minutes** before re-lighting it.

FACTS

- ! July is the peak month for grill fires.
- ! Roughly half of the injuries involving grills are thermal burns.

The world renowned Pony Round Up and Swim brings a large influx of visitors to the Island. The Saltwater Cowboys guide the ponies along the beach from the North to the South corral where they will rest for a day. The ponies swim the Assateague channel at slack tide to the Chincoteague Memorial Park. The yearlings and younger ones are auctioned by the Chincoteague Volunteer Fire Company. The remaining ponies swim back to Assateague. Also Enjoy: The Volunteer Fireman's Carnival, Blueberry, Seafood, Oyster, and Easter Decoy and Arts Festivals, the Annual Chili and Chowder cook-off. Visit the Herbert H. Bateman Center, Museum of Chincoteague Island, Beebe Ranch, home of 'Misty', and Assateague Lighthouse. Go on the Wildlife Refuge Tour. Ride the Chincoteague Island Trolley.

Besides the National Seashore & Wildlife Refuge, we have lots of Events and Activities: There are 3 pony round-ups each year -- spring and fall Round-ups are less crowded and fun to watch, but the only Round-up where the ponies swim is in July. Explore the channels and nature preserve of Assateague Island. Chincoteague Island boasts a quaint town with lots to do, great seafood, art galleries, gift shops, old-fashioned ice cream shops (try Island Creamery...the Mississippi Mud!) and vintage movie theatre. Boating, Biking, Fishing, Crabbing, Surfing, Miniature Golf or...Just lay on the **warm sand** at the beach!

Enjoy pristine Assateague Beach minutes away. (Conde Nast Traveler's 20 best beaches in America!) Because Assateague Beach is a National Park, it is beautiful, clean and a true beach! No buildings or development allowed. The ocean swimming, wave jumping and play are wonderful. Assateague Island offers beach, fun and waves. The surfing breaks on Assateague Island are mostly sand bars. The surf here is really good when there is any type of weather disturbance in the Atlantic Ocean generating swells.

The Chincoteague Cultural Alliance is a non-profit organization that promotes art, creativity and culture on Chincoteague Island and Delmarva's Eastern Shore.

CCA began renting space in the evenings at what was then the Senior Center, formerly a classroom and cafeteria for the old elementary school, and when that program ended and the space became available we rented it and renamed it CCA World Headquarters. Today we use the building for adult classes in art, music, food and crafts, and free children's art classes, as well as the very popular monthly **Coffeehouse with spoken word, musical performances and art, as well as homemade food.** **We are even able to have theater seating for performances by the Chincoteague Island Theater Company and CITC's Third Thursday Play Club.** The grounds around the building are the new home of the Chincoteague Farmer's Market and the 2nd Saturday Artful Flea. Mother Earth Day, Music at the Dock and **Summer Cinema Series continue in Robert Reed Park free to the public,** and we have recently added the Chincoteague Writer's Project to our long list of activities www.chincoteagueculturalalliance.org

Outdoor Parks: Chincoteague Island offers several beautiful parks for the enjoyment of its residents and visitors. We highly recommend taking advantage of these well maintained spaces while you're on vacation.

Robert Reed Downtown Park - The Town of Chincoteague, with the support of local businesses and a network of volunteers, is involved in an ambitious revitalization project in the downtown area. The Town has accumulated nearly \$1.7 million in various grants and local matches toward the project. One major phase of the revitalization involves the development of a new waterfront park. This park, located on the waterfront in the heart of downtown, offers recreational opportunities, a site for festivals and events, and a beautiful view of sunsets. Annual events such as the "Weekend of the Islands" and the "Chili Chowder Cook-off" have already begun drawing as many as 1,500 visitors. There are currently 10 boat slips available for rent to transient boats that are in excess of 26' to 50' in length. The park is ADA accessible, inclusive of boat slips.

Veteran's Memorial Park - The Town of Chincoteague has a lovely waterfront Park, Chincoteague Veteran's Memorial Park, for the recreation of residents and visitors. Memorial Park is located on Eastside Road. The park has tennis courts, basketball courts, playground equipment, fishing/crabbing pier, ball field, boat ramp, Skate Park, pavilion and restrooms. The pavilion may be reserved for groups through a permit issued by the Town for approval. It is recommended that you contact the Town Office to check availability. There is no fee for reserving the pavilion. The Commonwealth of Virginia enforces a recreational fishing license for the water surrounding Chincoteague. The Town of Chincoteague purchases a fishing license for the Veteran's Memorial Park fishing pier, so an individual license is not required.

Donald J. Leonard Park - The Donald J. Leonard Park is located across from the Chincoteague Combined School on North Main Street and protects an open view of Chincoteague Bay with approximately 600 feet of water frontage. Over 2.7 acres of waterfront land has been left in its natural state for the enjoyment of the citizens and visitors alike. Park facilities allow for off street parking up to 10 cars, picnic tables, and kayak access to the Virginia Seaside Water Trail. Boating is one of the more enjoyable pastimes on Chincoteague. If your interests are fishing, water-skiing, or just wanting to enjoy the water on a peaceful summers evening, the options are here for you to use your own boat or rent one. With the purchase of a City Boat Sticker, anyone wishing to put in their own boat will have access to 3 Town supported public boat ramps. Boat ramp stickers can be purchased at the Town Office, Police Station, and from the Harbormaster. Guided scenic/nature boat tours are also available.

There are 5 Boat Ramps:

- 1. Curtis Merritt Harbor - Islands South Side**
- 2. Memorial Park - Islands East Side**
- 3. Fir Landing - Deep Hole Rd**
- 4. East Side Ramp - Islands East Side**
- 5. Town Dock - Downtown**
